

Springing with Life!

**It's that time of year!
We've got you covered for Spring cleanup.**

Here's what we did today:

| <input type="checkbox"/> Spring cleanup | <input type="checkbox"/> Tree trimming |
| <input type="checkbox"/> Landscaping | <input type="checkbox"/> Fertilizing |
| <input type="checkbox"/> Lawn mowing | <input type="checkbox"/> Mulching |

If you like our work, be sure to book your next appointment using the contact info below.

In the meantime, here's a pro tip:

Grass clippings can be used as a natural fertilizer! Instead of bagging grass clippings, try mowing the clippings back into your lawn to build healthier grass and soil.

Looking forward to seeing you soon!
